PLM Roundtable 3
March 26th, 2015
3:00 PM –5:00PM
Science Building SL165
-Sponsored by School of Engineering and Technology &Office of the Vice Chancellor for Research

Welcome to IPLI

The Initiative for Product Lifecycle Innovation (IPLI) at IUPUI is pleased to announce its third roundtable event on Product lifecycle Management (PLM), featuring a keynote speaker from industry. IPLI provides a forum in which companies can collaborate and leverage the capabilities and expertise of the forum diverse members to identify where industry is going in the area of PLM and its implementation, and what PLM technologies, business and best practices, and products it needs to get there.

Program Agenda
I.   3:00pm-3:05pm   Introduction
II.   3:05pm-3:55pm   "Life Cycle Management: Evolving Challenges and Emerging Solutions" by William D. (Bill) Schindel
III.   3:55pm-4:10pm   Coffee Break
IV.   4:10pm-4:30pm   Panel Discussion: PLM Business Case (ROI)
V.   4:30pm-4:40pm   IPLI Consortium Membership Benefit
VI.   4:40pm-5:00pm   Panel Discussion: PLM Roadmap

Speaker
William D. (Bill) Schindel, President, ICTT Systems Science
